What

North Dakota Young Professionals (NDYP) is a statewide network dedicated to advancing opportunities for young professionals across North Dakota. You are encouraged to join a local network. However, anyone can join NDYP even if you're not a local network member.

Who

Young professionals are 21-41 in any profession interested in networking, socializing, bettering the communities they live in, influencing others, voicing concerns, and having fun.

Why

To connect you to your community, make friends across the state, provide social and service opportunities, and more.
